Discovery Place is a spiritual retreat for men with alcohol and drug addiction, located in Burns, TN, just 30 miles west of Nashville. We provide 30, 60 and 90 day programs that emphasize the 12 steps of Alcoholics Anonymous. Men who want to recover from drug and alcohol addiction are guided through a process which allows them to *discover how to recover*. This life-changing event is brought about as each guest is personally guided through the time-proven and universally accepted 12 step program of recovery by our uniquely qualified guides.

These guides are grateful recovering addicts and alcoholics themselves, who thoroughly understand the impact of the disease of addiction. Their patient, thoughtful and personal guidance make the fundamentals of recovery easy to understand, accept and incorporate into life.

Mission Statement

Discovery Place, a non-profit spiritual retreat for men suffering from alcohol and drug addiction, offers the means and environment for men to refocus their lives on a path of recovery, spirituality and productivity through the methods outlined in the long-established Twelve Step tradition.
